PRIMARY EXAMINER

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The examiner called Perkins Coie, LLP using the number (206) 583-8888 which was given in the change in power of attorney dated 12 March 2004. A representative of Perkins Coie, LLP informed the examiner that the power of attorney had changed. The examiner watched the IFW of the application for an incoming response to the office action and/or a change in the power of attorney until seven months passed from the date of mailing of the action at which point the examiner assumed that no response had been made.
